

Thames Valley Children's Centre School Support Program and Classroom Resources

Items added to the Autism Services Inc. Resource Library Fall 2014

School Support Classroom Kits

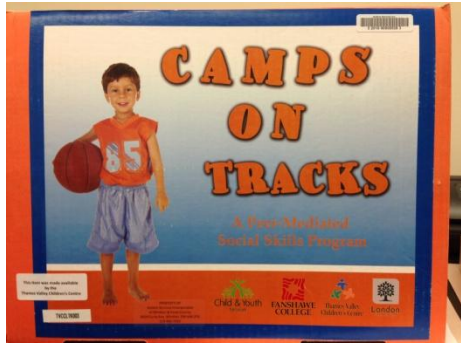

The Student Awareness Kit is a hands-on set of activities for peers of students with autism. The kit brings students through five primary simulations of what it may be like to have various disabilities. Follow-up activities are provided. See Appendix 1 for complete kit contents.
TVCCLTK001

This Visual Strategies Kit provides information and examples of visual strategies in the classroom.
TVCCLTK002

Placed with the Visual Strategies Kit (TVCCLTK002)
The Visual Schedule checklist is a guide to support educators when a visual schedule is being put in place or assessed. It cues educators to think about the student's understanding and independence when using the schedule

Camps On Track-A Peer-Mediated Social Skills Program

Designed to teach campers how to make friends and ensure a rewarding experience. Provide proven strategies to use when interacting with children with disabilities, ASD and social challenges. Kit includes 19 activities and instructions as well a booklet with CD. See Appendix 2 for complete list of activities included in kit.

TVCCLTK003

The Transition Planning Kit supports educators in preparing for transitions for students with autism. The kit includes workbooks for four primary transitions: entry to school, grade-to-grade, elementary to secondary, and secondary and school leaving. The kit also includes a reference manual and This is Me booklet.

TVCCLTK004

Placed with the Transition Planning Kit (TVCCLTK004)

This is Me booklets are designed for students and their families to complete and provide to the receiving teacher at the beginning of a new school year. Elementary and Secondary versions are available.

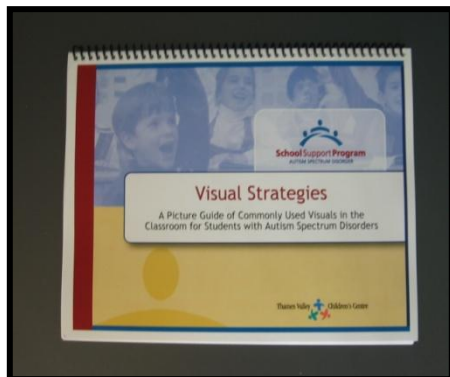

The Reinforcement Kit provides strategies on how to reinforce students with autism in the classroom and across the school day. A manual is included along with numerous hands-on tools and worksheets to implement the strategies.
