April 28, 2025

Dear Supporter:

### **BECOME A COMMUNITY CHAMPION FOR INDIVIDUALS WITH AUTISM**

Autism Services Incorporated (ASI) is reaching out to you today to ask for your support. Please consider becoming a Community Champion for Individuals with Autism. Our goal through the Community Champion Program is to raise \$25,000, which will help us provide an exceptional summer experience for children that require a high level of specialized support.

ASI is a locally run charity that provides a unique summer program for children and youth aged 6 to 17 years with autism spectrum disorders (ASD) in Windsor and Essex County. Since 1984, numerous individuals and families have benefited from the Bruce Awad Summer Program, which runs daily, for six weeks in July and August and offers structured learning, recreational activities and community outings. The students in the program have very significant needs and require a high level of personal support that is critical to their progress and safety. The program also provides families with much needed respite during the summer months.

For over 40 years the program has depended on limited government funding which has not kept up with increasing program costs. We must now rely more heavily on community fundraising to sustain the program.

Benefits of becoming a Community Champion include:

- (1) Providing financial assistance so that we can continue to provide a high level of care during program activities and daily community outings which promote community integration and autism awareness.
- (2) 100% of your donation will remain in the Windsor-Essex community and benefit local families; and
- (3) Your name/logo will be added to Our Community Champions banner, which will be proudly displayed throughout the summer at the two Summer Program locations in Windsor and Essex.

Additional benefits are available to our Champions as outlined in the enclosed Donor Package.

If you would like additional information about ASI, or about our Community Champion program, please do not hesitate to contact us at 519-966-7283, email: [asifunddeveloper@gmail.com](mailto:asifunddeveloper@gmail.com), or visit our website at [www.autismservicesinc.com](http://www.autismservicesinc.com). There are videos on our website that show the wonderful things that ASI does.

Donations can be made by e-transfer to [autism@mnsi.net](mailto:autism@mnsi.net), please include contact information in your message, or through [CanadaHelps](http://CanadaHelps). Donations must be received by June 10th, 2025 to be included on the Champions Banner.

Thank you in advance for any support you can provide. ASI and the families and children with ASD that we serve are grateful for your consideration.

Very truly,  
Jillian Fenech & Christine Loebach,  
Fund Development Team  
Encl.
